

Dear participant,

We are excited you will be joining our workshops during AnVIL Community Conference 2026 in Cambridge, MA on August 31, 2026 kicking off at 2 pm ET.

** Please complete these steps to sign up for AnVIL and submit your account email in the form in Step 3. This should take less than 15 minutes. **

BEFORE THE WORKSHOP:

1.  AnVIL is supported by Google Chrome. If you don't have Google Chrome, install the browser by following [these instructions](#). If you already have Google Chrome installed, make sure it is up-to-date before the workshop begins by following [these instructions](#).
2.  You must create an AnVIL account to follow the hands-on activities that are presented. Sign up following [this guide](#) (Steps 3.1 through 3.5, but Step 3.4 is optional).
3.  Submit the email address that you used to sign up for AnVIL using [this form](#). This will allow us to add you to a temporary workshop billing account in AnVIL so you can follow along with the hands-on exercises.

 If you have questions or issues registering for an AnVIL account, please contact **WORKSHOP SETUP CONTACT**.

OPTIONAL RESOURCES:

We also wanted to highlight a few resources that can introduce you to the concepts and software we will cover in the workshop (see more at <https://www.youtube.com/@anvilproject1223>):

1.  [Welcome to AnVIL!](#) (2 min video).
2.  [SARS-CoV-2 Variant Detection Exercise](#) (2 min video).
3.  [Introduction to Terra](#) (3 min video).
4.  [Introduction to Terra Workspaces](#) (10 min video).
5.  [Introduction to Workflows](#) (11 min video).

We look forward to seeing you soon!
